An introduction to our
online payment service

www.parentpay.com

What does ParentPay do?

- enables you to pay for dinner money, trips and other resources
- offers a highly secure payment site
- gives you a history of all the payments you have made
- allows you to create a single account login across all your children that attend a ParentPay school
- shows you all items available for payment relevant to each of your children
- emails a receipt of your payment to the email address you register
- offers you the ability to set automated email/SMS payment reminders

How does ParentPay help you?

- gives you the freedom to make payments to school whenever and wherever you like
- gives you peace of mind that your payment has been made safely and securely
- helps with budgeting; payments are immediate, there is no waiting for cheques to clear
- payments for many of the larger trips can be made by instalments up to the due date
- you will never need miss a payment, or have insufficient credit, with automated email/SMS alerts

How does ParentPay help our school?

- reduces the administrative time spent on banking procedures
- keeps accurate records of payments made to every service for every student
- payments do not bounce
- reduces paper 'waste'
- allows for easy and quick refunds to be made
- improves communication between the school and parents concerning payments

How do I get started?

You will have received an activation letter containing your temporary username and password to enable you to setup your ParentPay account. During the activation process you will be guided through changing your username and password to something more memorable; you can also merge your accounts if you have more than one child at Didsbury High School or another school that uses ParentPay.
