HIGH SCHOOL

POLICY NAME: Mobile Technology Policy

AUTHOR: David Woolley

DATE WRITTEN: June 2020

NEXT REVIEW: July 2021

Mobile Technology

1. Mobile phones represent a significant distraction to learning and the technology of most mobile phones creates a number of safeguarding issues including photographs and cyberbullying.
2. For safety reasons mobile phones are permitted on the journey to and from school. However, mobile phones are not to be seen or heard at any point during the school day. All students will have access to a locker, mobile phones may be placed in the locker in the morning and retrieved at the end of the school day.
3. Mobile technology should not be on view during the school day. If a member of staff witnesses a student using a phone or other piece of mobile technology the equipment will be taken from the student and returned following a conversation with the Parent/ Carer.
4. If a student needs to speak with a Parent/ Carer or to access their mobile phone during the day they should contact the Head of Year who will make arrangements for this to be possible in exceptional circumstances.
 - Parents/carers are reminded that we are not responsible for the loss /damage to any confiscated items. All staff will be fully supported if there is an issue regarding e.g. loss of confiscated item from a member of staff's drawer.
 - Students will not be given permission to listen to their own music in lessons e.g. whilst completing coursework.

Please refer to the ICT e-Safety Policy for the use of internet access via 4G
