

Dear Parent / Carer,

Welcome to Dolce Schools Catering!

We are the appointed catering provider for Didsbury High School and we are determined to offer you and your child an excellent service, ensuring every student enjoys their meal and has the energy to study and learn throughout the day.

Our vision is to consistently be the best caterer in the education sector, not just on the plate but in how we provide our service and the effects this has on our stakeholders.

We believe the dining experience extends beyond just food and good service. The way our customers receive their food, the time it takes and the innovations used to reduce this time. The way the staff, the food and the service area are presented and the environment they eat is all an integral part of the experience. We aim to make a Dolce lunch time feel noticeably more special than other lunchtime services and be the experience of choice for our Customers.
