Dear Parent/Carer,

Re: Year 12 School Exams 2025-2026

As part of the Sixth Form assessment calendar, every Year 12 student will sit mock exams in their option subjects, in preparation for the internal exams in May/June 2026. These exams will then form part of the school's formal assessment process when measuring the students' progress and projecting their final grades.

We have listed below this year's dates. Before an exam season, individual exam timetables will be given to students. These will also be available to view on the MCAS app. Subject teachers will give students more information regarding any revision/preparation needed for the exams.

Year 12 Common Assessments	12 th January- 25 th January 2026
Year 12 Mock Exams	15 th June- 24 th June 2026

It is very important that **all** students attend their exams.

We would like to thank you for your continued support and should you have any queries regarding the above, please do not hesitate to contact us.

Yours faithfully
