**Subject** Out of Hours Works

Dear Sir/Madam

This letter is to advise you of a vital out of hours programme which will be taking place as of next week at Laurus Didsbury High School, 4 The Avenue, West Didsbury, Manchester, M20 2EY.

To continue the construction process of Didsbury High School, BAM Construct UK Ltd will be completing works on the road leading up to the brand new schools entrance, The Avenue. Didsbury Point Building, a close neighbour of Didsbury High School will need this access clear for its employees during the day as well as BAM Construct UK's employees and deliveries.

To ensure certainty of access, works will be taking place from **4pm** to approximately **11pm**, from **Monday 24<sup>th</sup> June to Friday 12<sup>th</sup> July**, working Monday to Thursday throughout this period, although some evenings could finish earlier than the time stated.

We thank you in advance for your patience and cooperation during these essential works.

If you have any questions or comments about the works, please feel free to contact us. BAM's out of hours contact is **07810505807**. A representative of BAM will get back to you if unavailable at the time of your call.

Yours faithfully

James Moore  
Project Manager  
BAM Construct UK Ltd – North West
